Crews will start in Area 1 on the North of Middle Turnpike followed by the South of Middle Tpke. All leaves must be placed curbside for pickup by November 8th.

Crews will start in Area 2 immediately following completion of Area 1. Leaves must be placed curbside by November 22nd.

As part of the continuing effort to improve efficiency and maintain the safest operation possible, leaves on one side of a street will occasionally be collected up to two or three days in advance of the other side of the street.

Please do not place leaves at the curb after your street has been vacuumed. Crews will not be returning for a second collection. It's a violation of town codes to block sidewalks and streets with leaves.
