Connecticut's New Voting System

This year, all Connecticut voters will use the new electronic voting system in both the general election Nov. 6 and, in some towns, the Sept. 11 primary. The new technology replaces the mechanical lever-style machines that had been in use for decades. Vision- and mobility-impaired voters also will have access to a vote-by-phone system that will enable them to cast their votes privately, as required by federal law. This guide will help familiarize you with both systems

🖲 FILL OUT BALLOT

names of write-in candidates.

Fill in the ovals next to the names of the candidates you wish to vote for using the pen provided, as you would a lottery ticket or standardized test. A magnifying glass is attached to the booth if you have trouble seeing the print. If you make a mistake and fill in the wrong oval, exchange your ballot for a new one. Ballots also provide space for filling in the

box

CHECK IN

Show driver's license or other proof of identity.

🕗 TAKE BALLOT

You will receive a placemat-size paper ballot with the candidates listed in rows by party. Take the ballot to one of the "privacy booths" to fill out.

Privacy booth

Once the polls close, the results are spit out on a cashregister-like receipt for poll workers.

Storage for unreadable ballots for cases in which voters decline to fill out a substitute ballot.

MACHINES FOR THE HANDICAPPED

After you sign in, a poll worker will set up the phone for your vote.

For the visually impaired: Use the handset to listen to the voice prompts.

For the hearing-impaired: A set of headphones is available with adjustable volume.

WHERE TO VOTE

If you aren't sure where to vote, go to the website vote411.org and enter your ZIP code.

> WHEN TO VOTE Poll hours are from 6 a.m. to 8 p.m.

NOT REGISTERED?

You have until Sept. 6 to register by mail for the Sept. 11 primary, or by noon Sept. 10 in person, if a primary is taking place in your town. You have until Oct. 23 to register by mail for the Nov. 6 general election, or in person by Oct. 30.

Vote by touching the telephone keypad. Hit ## to cast your ballot. A nearby fax machine will print your ballot with a blank cover page on top to protect your privacy. Election workers will tally the results by hand later.

The process should take about 10 to 15 minutes, depending on the length of the ballot. **Correct Way**

🕘 SUBMIT BALLOT

Place your finished ballot in a privacy folder that is provided. Walk your ballot over to a vote-tallying machine and feed it into the slot. The machine will accept the ballot like a vending machine taking a dollar bill.

The ballots fall into two stacks inside the machine. Poll workers count the write-in votes by hand.

THE PRIMARIES

On Sept. 11, 23 towns are scheduled to hold primaries:

Bridgeport	Lisbon
Bristol	Middlebury
Colchester	New Britain
Cornwall	New Haven
Cromwell	Oxford
Derby	Plainville
East Hartford	Preston
Griswold	Stratford
Hamden	West Haven
Hampton	Woodbury
Hartford	Woodstock
Lebanon
