For Immediate Release

Manchester Opens Registration for Manchester Government Academy

Manchester, CT – The Town of Manchester is now accepting applications for the Manchester Government Academy Fall 2022 session. The program provides the public with a hands-on opportunity to learn about the inner workings of local government.

Government Academy will consist of a series of interactive sessions, and participants will get an inside look at the municipal operations covering everything from public safety to the public library.

The Academy will feature a lively blend of demonstrations, presentations, and tours, all conducted in a casual format at numerous sites throughout the Town. Participants can expect to come away with a heightened awareness and knowledge of local government operations as well as a greater understanding of how to get involved in local affairs.

The nine-week program will begin on Thursday, September 8, 2022, and will conclude on Thursday, November 3, 2022. The sessions are free and held mostly on Thursday evenings with a few exceptions; anyone living or working in Manchester are welcome to apply.

While seating is limited, applications received first will be given preference.

If you have any questions, please feel free to contact the Academy Coordinator Lisa Fusco at (860) 647-3092.
