This Agreement is entered into by and between the Town of Manchester, hereinafter referred to as the "Town," and Municipal Employees Union, Local 991 of Council #4 of the AFSCME, AFL-CIO, hereinafter referred to as the "Union."

ARTICLE I - RECOGNITION

1.0 The Union recognizes the General Manager or his designated representative as representing the Town, and the Town recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining on matters of wages, hours of employment, working conditions, grievances and other conditions of employment for employees in classifications shown on the attached pay plan who work a 37½-40 hour week, permanent full-time, permanent part-time (20 hours or more, 12 months per year), excluding supervisory employees with a job classification of Print Shop Room Supervisor, Environmental Analyst, Forestry Manager, and Foreman or higher, uniformed and investigatory personnel of the Police and Fire Departments, employees of the Board of Education, elected officials and their staffs, those employees whose positions are confidential as defined by the State Labor Board rulings, all positions presently in the Manager's Office with a classification of Secretary or higher, staff of the Town Attorney's Office, all Executive Assistants, the Payroll Supervisor, Human Resources Technician, Administrative Accountant, and Secretary to the Board of Directors.

ARTICLE II - UNION SECURITY

- 2.0 The Town agrees to deduct membership dues, initiation fees, and reinstatement fees as may be fixed by the Union from the pay of those employees who, individually and in writing, authorize such deductions. Such deductions shall continue for the duration of this Agreement or any extension thereof.
- 2.1 Deductions shall be made each month and shall be remitted to the Financial Officer of the Union not later than the last day of said month. The monthly remittances to the Union will be accompanied with a list of names of employees from whose wages such deductions have been made and the amount deducted from each employee. The obligation of the Town for funds actually deducted under this Section terminates upon the delivery of the deductions so made to the person authorized to receive such amounts from the Town. Neither any employee nor the Union shall have any claim against the Town for errors in the processing of deductions unless a claim of error is made in writing to the Finance Director within sixty (60) calendar days after the date such deductions were or should have been made.
- 2.2 When a member's dues are not deducted during a time he is not paid, and such employee returns to work, it shall be the responsibility of the Town to reactivate the deduction of his dues.

- 2.3 The Union shall indemnify, defend, and save the Town harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reasons of actions taken or not taken by the Town in complying with the provisions of this Article.
- 2.4 The Town will provide each new employee a copy of this Agreement at the time of hire. Additional copies can be accessed from the Town's website.
- 2.5 The Town will provide a bulletin board or adequate space on existing bulletin boards or other space for use by the Union in each building where a Union employee works.
- 2.6 Neither the Town nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate applicable laws because of race, creed, color, disability, national origin, gender, age, or sexual orientation.

Whenever the male gender is used in this Agreement, it shall be construed to include equally both male and female employees.

- 2.7 The Town shall provide to the Union once yearly, not later than September 1, a list of all employees covered by this Agreement, their salary, classification and starting date.
- 2.8 The Union President and MEU Vice-President shall receive notification of each new bargaining unit employee, including classification and salary, and all personnel changes within the bargaining unit including resignations, retirements, terminations, position changes, and any unpaid leave thirty (30) days following the date of hire or change in status.
- 2.9 The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving a written notice to both the employer and the Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE III - SENIORITY

- 3.0 New employees shall serve a probationary period of one hundred eighty (180) days except for Public Safety Dispatchers and Police Service Aides who shall serve a probationary period of eighteen (18) months. New employees including Public Safety Dispatchers and Police Service Aides may have their probationary period extended, not to exceed an additional ninety (90) days, provided that such employee

is informed in writing of said extension at least ten (10) workdays prior to the end of the normal probationary period. The probationary period required represents a total cumulative service time, and days may be adjusted upwards so as to properly allow for any authorized leaves of absence or breaks in service. However, should any such leave of absence or break in service be greater than two (2) months, the Town may require that the entire probationary period be restarted at the time the employee returns to work. Persons in probationary status shall be subject to all provisions of this Agreement except that terminations and other disciplinary actions during the period of probation for initial employment with the Town shall only be subject to the grievance procedure up to and including the second step. There shall be no seniority among initial probationary employees. Upon successful completion of the probationary period, the date for computing vacation or annual leave, as applicable, and sick time due shall be retroactive to the date of employment, less any adjustments.

All employees promoted shall serve a probationary period as defined above. The Town in its sole discretion may during the period of said probation return a probationary employee to the position which they last held. Promoted employees shall in other matters as allowed for in Article XI herein have access to the grievance procedure during their probationary period.

- 3.1 A. A Department Head, or the appointing authority may, with the approval of the General Manager, lay off an employee whenever it is necessary by reason of shortage of work or funds, the abolition of the position, material change in the duties or organization of the department or agency, or for other related reasons which are outside the employer's control and which do not reflect discredit on the service of the employee; and when it is impractical, impossible, or not in the best interest of the public service to meet the situation by transferring the employee as outline in the Provisions of Transfer, Article III, Section 3.2 of this Agreement.
- B. If it is determined that layoffs are necessary, employees will be laid off in the following order:
- 1) Temporary employees in the affected department.
 - 2) Probationary employees.
 - 3) In the event of further reductions in force, employees in the affected division will be laid off from the affected classification in accordance with their seniority as follows:
 - a) The employee(s) with the least seniority in the affected classification within the division first, etc.
 - b) Whenever an employee is scheduled to be laid off pursuant

to Section 3.1.B(3)(a) above, and is in a classification entitled Clerical Assistant, Account Associate, Environmental Control Assistant, Administrative Secretary, Fleet Administrative Technician, Assessment Information Specialist, Senior Accountant Associate, Senior Administrative Secretary, and Building Technician, he/she shall be entitled to replace the employee with the least seniority in the next lower classification within the division listed herein as long as the employee doing the bumping has the ability to perform the work available without further training, excluding division specific work procedures. The Town shall make an attempt to place laid off employees in other classifications in the Unit in a vacant, funded position within the Unit, should one be available at the time of layoff and should the employee have the ability to perform the work available without further training, excluding division-specific work procedures.

- 4) Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled in the inverse order to their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without further training. Employees eligible to be recalled shall be notified by the Town by certified letter sent to the last address of record on file in the Town's Finance Department. The employee shall have ten (10) days from receipt of the letter to notify the Town in writing of his intent to resume employment with the Town and thirty (30) days from receipt of said letter to commence reemployment. Failure of the employee to respond within the stated time limit shall relieve the Town of any further obligation under this Contract.
- 5) Whenever an employee is laid off for reasons stated above, he shall, at his request, be furnished a letter of recommendation reflecting the reasons for layoff. Such letter shall be signed by the Division Head.

32 The Provisions of Transfer procedure shall be as follows:

- A. When the General Manager, or his designated agent, may deem it to be to the benefit of the Town service, he shall authorize the transfer of an employee from one department to another. This may be initiated at the request of the employee, the head of the department to which he is being transferred, or the head of the department from which he is being transferred.
- B. This procedure should be used primarily to provide an employee of high

ability with an opportunity to obtain a broader range of experience than would be otherwise available, and to enable the public service to make the fullest use of an employee's capabilities.

- C. Transfer may also be used as an alternative to laying off an employee or employees in periods of a reduction of the workload of one department when there is a corresponding increase in the workload of another department. In utilizing the transfer procedure, consideration should be given to the wishes of the employee, or employees concerned, and such wishes shall be used as guidelines, insofar as practical. If such transfer does not prove workable for the employee, the employee may notify the General Manager or his designated representative within sixty (60) days of said transfer and his name shall be placed on a preferential transfer list for vacancies in the same or similar classification. In the case of a voluntary transfer through the promotional process, an employee may opt to return to their prior position within twenty (20) working days of said transfer, provided the position has not been filled.

- 33 All vacancies and new positions shall be posted on Town department bulletin boards for a period of ten (10) workdays. The Town may do outside advertising concurrent with the posting, but the Town shall not fill the vacancy prior to the conclusion of the posting period. Employees wishing to apply for such vacancy, either as a promotion or transfer, shall submit an application to the Human Resources Department. Permanent positions shall be filled by means of competitive examinations and in accordance with the Town's Personnel Rules.

ARTICLE IV - NO LOCKOUT, NO STRIKE

- 40 During the life of this Agreement, neither the Union or any officers, agents or employees will instigate, promote, sponsor, engage in or condone any strike (including sympathy strikes), slowdown, or any concerted stoppage of work regardless of the reason for so doing.
- 41 During the term of this Agreement, the Town will not instigate a lockout over a dispute with the Union so long as there is no breach of the previous section of this Article.

ARTICLE V - HOURS OF WORK, OVERTIME AND HOLIDAY PAY

- 5.0 The regular hours of employment for salaried employees shall be thirty-seven and one-half hours (37½) per week, divided equally over five (5) workdays of seven and one-half (7½) consecutive hours each Monday through Friday. The Town reserves the right to make shifts available to bargaining unit members based on the staffing needs of the Town, as determined by the Chief of Police or his designee. The bid sheet will be posted eight (8) weeks prior to the commencement of the bid cycle being bid at the time. Employees within two (2) weeks of the posting of the annual schedule may request in writing to the Chief of Police or his designee that their shift be swapped. The Chief of Police, or his designee, shall promptly respond to said request and shall post a revised schedule if necessary no later than four (4) weeks in advance

In the event that two or more Dispatchers are not available for work at the same time due to termination, resignation, retirement or long-term illness or leave, the Town may make changes in the schedule. Prior to making revisions in the schedule, the Town shall discuss said revisions with the Union and affected employees. The revised schedule shall be in effect until the vacancies are filled or the employee(s) return to work.
6. Schedule to be effective, as provided, attached to this Contract. (See Appendix A).
7. Dispatchers, effective January 1, 1999, shall be eligible to receive one (1) paid day per year on demand, provided that the taking of said day does not create a double-time situation for overtime and furthermore that only one (1) paid day on demand can be taken per shift.
8. During each eight (8) hour shift, public safety dispatchers shall be allowed a thirty (30) minute period for a meal but said employees shall be available if needed and not leave the police station during said period.

C. Employees, who do not avail themselves of the opportunity to work overtime when personally contacted, shall be credited with the scheduled overtime on the departmental overtime record, as though they had worked. No Dispatcher shall receive seventh (7th) day double time pay within five (5) calendar days from a previous seventh (7th) day double time pay (shift changes). Washington's Birthday	Veterans' Day
Good Friday	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Juneteenth	Christmas Day

The Town, at its discretion, retains the right to substitute a floating holiday on a date of its choosing in lieu of the traditional date for celebrating Lincoln's Birthday, provided the Town notifies the Union of the substitute holiday not later than December 31st for the following calendar year.

6.1 Holidays shall be celebrated in accordance with Section 1-4 of the Connecticut General Statutes.

Dispatchers and Police Service Aides shall observe all holidays on the traditional day of the holiday.

In accordance with Section 6.0 above, Landfill clerical employees are entitled to fourteen (14) days per year of holiday time. At this time the Landfill is open on eight (8) of those fourteen (14) scheduled holidays, and it will be necessary for Landfill clerical employees to work on those days. Since the Landfill operations are scheduled Monday through Saturday, holidays which occur on a Saturday are observed on that day and not on the previous day. If a holiday occurs on a Sunday, the holiday will be observed on the following Monday. The following rules will apply for holidays for these employees:

1. If the Landfill is closed on a scheduled holiday which falls on any employees normally scheduled workday, the employee will be paid holiday pay equal to the number of hours the employee was scheduled to work that day and have the day off.
2. If the Landfill is closed on a scheduled holiday and an employee is scheduled to be off on that day, the employee will not be charged for a holiday and will have a number of hours equal to the normally scheduled workday of holiday pay to be taken at a later time.
3. If the Landfill is open on a scheduled holiday and an employee is scheduled to be off on that day, the employee will not be charged for a holiday and

will have a number of hours equal to the normally scheduled workday of holiday pay to be taken at a later time. The employee who works on the scheduled holiday will be paid double time plus holiday pay equal to the number of hours the employee is scheduled to work.

4. If the Landfill is open on a scheduled holiday and both employees are scheduled to work on that day, one employee will take the day off and be charged for the number of hours he/she was scheduled to work as holiday pay. The employee who is working will be paid double time for the day plus holiday pay equal to the number of hours the employee is scheduled to work. The two employees assigned to the Landfill will alternate their schedules so that each will work or be off an approximately equal amount of time each calendar year.
- 62 Whenever any of these holidays shall occur while an employee is out on paid sick leave, the holiday will not be charged to his accrued sick time.
- 63 Whenever any of these holidays shall occur while an employee is on paid vacation or annual leave, the holiday shall not be charged to his vacation or annual leave time.
- 64 Any permanent part-time employee who has been appointed from an employment or reemployment list shall be granted time off with pay for any legal holiday granted to full-time employees, provided:

 - B. The pay he receives shall be for the number of hours he would have been scheduled to work.
- 65 Holiday pay for Dispatchers and Police Service Aides shall be as follows:
- A. Each Dispatcher and Police Service Aide shall have a bank of holidays. Annually, each employee's bank of holiday time shall be credited with seven (7) holidays on January 1st and seven (7) holidays on July 1st.
 - B. Dispatchers and Police Service Aides who are scheduled to work on a holiday shall be paid time and one-half.
 - C. Double time for premium holidays for Dispatchers and Police Service Aides shall be paid anytime they are scheduled to work the following holidays: New Year's Day, Independence Day, and Christmas.

- 6.6 No employee shall be permitted to carry forward to a subsequent calendar year a backlog of unused holidays in excess of forty (40) hours of holiday time and by December 31st of each year, no employee may have more than forty (40) hours in his/her bank of holiday hours.

If staffing levels are such that Dispatchers cannot be granted holiday time sufficient to meet the above targets, the Town and the Union may mutually agree to extend the deadline for meeting the targets.

Upon retirement or termination from employment, employees shall not be reimbursed for any accumulated holiday time in excess of forty (40) hours.

ARTICLE VII - ANNUAL LEAVE

- 7.0 Effective January 1, 2015, for employees hired prior to July 1, 2013 who have elected the annual leave benefit program and for those employees hired on or after July 1, 2013, vacation leave as provided in Article VII, Section 7.0 of the contract in effect through June 30, 2013, as well as special leave provided in Article VIII, Sections 8.3 (C), 8.3 (D), 8.3 (F), 8.3 (G), 8.3 (J) and, 8.3 (K) of the contract in effect through June 30, 2013, shall be consolidated into a singular annual leave provision.

Each employee, who has given his department/division head, or designated supervisor, at least twenty-four (24) hours advance written notice shall be eligible to request use of annual leave, except that on not more than three (3) occasions in a calendar year, an employee may request of his department/division head, or designated supervisor, to utilize said time with no later than thirty (30) minutes' notice before the start of the shift. Approval to utilize annual leave shall not be unreasonably withheld, provided appropriate leave forms have been submitted, and/or requests to utilize such time have been made in accordance with this paragraph.

- A. The Department Head shall annually, on or before April 1, request from each employee their annual leave choice. These annual leave choices should be submitted no later than April 30. Any employee failing to submit his/her annual leave choice by April 30 will forfeit annual leave choice seniority for that year. The department shall compile the choices of members and post a copy of the annual leave schedule showing the employees' names and the annual leave allocated, not later than May 10.

Whenever there is a conflict between employees in requested annual leave dates, the Department Head will give preference to employees according to length of service with the Town.

- B. Employees hired prior to July 1, 2013, shall receive on January 1, 2015 and each

year thereafter on January 1, fifteen (15) days of annual leave up to the fifth (5th) year of employment; twenty (20) days between the sixth (6th) and tenth (10th) years; twenty-five (25) days between the eleventh (11th) and twentieth (20th) year; and thirty (30) days thereafter.

- to support a request for sick leave during annual leave or vacation;

During the period of a leave without pay, except for military leave to meet Reserve or National Guard obligations, the employee shall not be credited for length of service and not be credited with time for purposes of meeting the requirements of Article III, Seniority, accruing sick leave nor accruing annual leave or vacation time.

With the approval of the General Manager, a Department Head may reinstate an employee from a leave of absence without pay to the position formerly held by him, if it is vacant. If the position is not vacant, he may be reemployed in any position of a comparable nature that is vacant. If no such position is vacant or exists, he may, at his discretion, be placed on the reemployment list or placed in a position of a lower grade, provided such a position is vacant, until a position of his former grade becomes available.

Any employee, who is on leave of absence without pay, shall not be paid for any holiday or sick leave during the period of absence. Any annual leave or vacation time due an employee at the time of taking a leave of absence without pay may be paid at that time. Authorized leaves of absence for one (1) month or less will not

An employee on maternity leave of absence is eligible to use paid sick leave in accordance with the sick leave provisions of this Agreement for that period of time, not to exceed ninety (90) days, which the individual's doctor certifies that the employee is medically incapable of performing the duties of the position. When any unused, accumulated sick leave is exhausted and the employee is still medically unable to return to work, the employee will be carried on leave of absence without pay for the balance of the maternity leave period. Such employee shall have up to ninety (90) days from the birth of the child to return to work. Before the expiration of the leave, application may be made to the General Manager of the Town for extension of said leave. Extension shall normally only be granted as a result of

medical complications of the birth. Such extension is the sole discretion of the General Manager. If the application for extension is denied or if the employee decides not to return after the 90-day period, she may request to the General Manager that she be placed on a reemployment list for a period not to exceed two (2) years. During the two-year period of time should a vacancy occur in the department where the employee last worked, and should the vacancy be in a position which the employee previously occupied, and should the employee be qualified to perform the work as required without further training, then the employee shall be offered the position, however, the employee shall not have preference over employees laid off in accordance with Article III, Section 3.1 of this Agreement.

- B. Should the employee, after electing to be placed on the reemployment list, decide to withdraw all money due her from the Town's Pension Plan, then the individual shall be considered as a new employee if and when she is reemployed. This shall include receiving the starting salary for the position, as well as receiving no credit in terms of seniority for previous time worked. Any unused, accumulated sick time paid out shall be deducted from any future available unused, accumulated sick time eligible to the employee upon retirement or termination.
- C. Should the employee not withdraw the money in the Town Pension Fund due her and subsequently be reemployed under the provisions of this Section, then she shall receive credit for the years of service she had prior to being placed on the salary she was receiving at the time she went on the reemployment list. The individual shall receive a salary that is closest to the salary she was receiving at the time she went on the reemployment list. Any unused, accumulated sick time paid out shall be deducted from any future available, unused, accumulated sick time eligible to the employee upon retirement or termination.

8.8 Medical Leave Without Pay:

A permanent employee who has used all available sick leave, annual leave and vacation time, as well as extended sick leave, if granted, shall be eligible for medical leave without pay to be used for purposes consistent with Article VIII, Section 8.0. This leave shall be granted for a maximum of twelve (12) weeks, during which time the Town will continue to pay for the employee's medical benefits and life insurance. An employee on medical leave without pay shall not be eligible for other benefits contained within this Agreement.

An employee returning from medical leave without pay within the twelve (12) week period shall return to the position he/she occupied when he/she began his/her leave, except if there are health restrictions that do not allow this.

Should the employee not be able to return within the time limit of the medical leave without pay, the employee may apply to the General Manager for an extension of

medical leave without pay. The General Manager has the sole discretion in acting on the request for the extension, and his decision is not subject to the grievance procedure. If the extension is not granted, the employee's employment with the Town shall be considered terminated. If the extension is granted, the time of the extension shall be determined by the General Manager.

An employee shall normally be eligible to receive medical leave without pay once during his/her employment with the Town of Manchester in accordance with the provisions stated above. In exceptional cases, a permanent employee, who suffers an illness which necessitates a request for a second medical leave without pay, may request such leave from the General Manager and the General Manager shall have the sole discretion to grant such leave. His decision shall not be subject to the grievance procedure. If the medical leave without pay is not granted, the employee's employment with the Town shall be considered terminated. Should the General Manager grant the request for said leave, the General Manager shall designate the length of the leave. An employee on either an extension of medical leave without pay, or a second medical leave without pay will, upon the granting of the leave, be required to submit in a manner and time designated by the Controller, payment for the cost of medical and insurance benefits. The Controller shall have the authority to stop medical and insurance benefits if the payments are not made in the manner or time specified. An employee on the above-mentioned medical leave without pay shall not be eligible for other benefits contained within this Agreement and the Town shall have the right to hire a replacement for the employee immediately upon the granting of the leave. An employee returning from either an extension of medical leave without pay or a second medical leave without pay shall be permitted to return to the position he/she occupied when he/she began his/her leave except if there are health restrictions that do not allow this or if the Town has hired a replacement. Employees shall request that their physician complete the release forms as soon as they are capable of performing temporary limited duty or have reached maximum medical improvement, whichever occurs earlier. The completed release form should be submitted to his supervisor as soon as possible after completion by the treating physician, and after concurrence by the Town's physician, the employee shall be required to return to a TLD assignment within their division if release for such work is indicated on the form. The nature of the assignment and duration shall be at the discretion of the supervisor, taking into consideration the temporary physical restrictions of the employee as identified by the treating physician.

The intent of this provision is to permit the return to work as soon as is medically possible of employees who are affected, as set forth in the above paragraph. Employees shall make every effort to encourage their treating physician to allow them to return to work at the earliest possible time. Nothing herein shall affect the Town's rights under applicable Workers' Compensation Statutes. Further, the parties understand that TLD assignments are assignments other than normal duties, and it is not the intent that said assignments are to be of a make work or permanent nature. Employees, who at any time are determined to be unable to perform the essential functions of their position on a permanent basis, shall not be eligible to receive or continue to receive a TLD assignment.

Employees on a TLD assignment, who would otherwise be eligible to receive Workers' Compensation payments, shall have such time on said assignment count toward eligibility to receive Supplemental Workers' Compensation payments, as provided for in Article VIII, Section 8.3.A.

- A. Any employee may use this grievance procedure at every step prior to arbitration with or without Union assistance. Should any employee process a grievance through one or more of the steps provided herein prior to seeking Union aid, the Union may process the grievance from the next succeeding steps following that which the employee has utilized.
 - B. No grievance settlement made as a result of an individually processed grievance shall contravene the provisions of this Agreement. The arbitrator shall be limited to the terms of the Agreement and shall not have the power to modify, amend or delete any terms or provisions of the Agreement.

Step One

Any employee who has a grievance shall first request a meeting with his or her immediate supervisor to discuss the matter within ten (10) working days of the occurrence. The Supervisor shall meet the grievant and the union representative within five (5) working days of the request. If the matter is not settled at the above meeting, then the grievant or union representative may reduce the grievance to writing and submit it to the Department or Division Head within ten (10) working days of the date of the matter or the meeting, whichever is later. The General Manager shall render a decision within ten (10) working days after the conclusion

of the meeting. The General Manager may, in his sole discretion, assign the responsibility for this hearing to another individual of his choice.

Step Three

11.1 The Officers and/or Stewards of the Union shall be afforded the necessary amount of time, without loss of pay, for the purpose of adjusting grievances.

B. Time extensions beyond those stipulated in this grievance procedure may be arrived at by mutual agreement of both parties concerned in writing.

C. Employees and the Union shall have the right and choice of representation whenever representation is desired by either an employee or the Union.

11.2 The Department or Division Head and the employees under his jurisdiction, may meet for the purpose of discussing matters of mutual interest, performance of work, employee behavior, and the working conditions, with the intent to avoid the necessity for individual recourse to the formal grievance procedure and to generally promote a satisfactory relationship.

11.3 The four (4) members of the Union bargaining team will be allowed time off to conduct negotiations without loss of pay if they are scheduled to work during that time. If the Union President is not a member of the Municipal Employees Union, then he shall not be included as one of the four (4) members, but rather shall be an additional person allowed time off to conduct negotiations, without loss of pay, if he or she is scheduled to work during that time. TLD assignments shall to the extent possible be related to the type of work normally performed by the employee.

TLD assignments are temporary and will be discontinued if any of the following occur:

- (a) The treating physician returns the employee to full duty with no restrictions.
- (b) The treating physician temporarily prohibits the employee from continuing with a limited-duty assignment.
- (c) There are no longer available tasks within the Department that will accommodate the employee's capabilities and restrictions.
- (d) The treating physician indicates that the employee has reached maximum medical improvement and will not be able to return to his prior position.
- (e) An employee has been on temporary limited duty for a period of six (6) months. (The six-month period may be extended at the discretion of the General Manager or his designee.) The General Manager or his designee will be sole determinant for ruling on the extension of the six-month period.

APPENDIX F

PUBLIC SAFETY DISPATCHERS TEN-HOUR SHIFTS AND LEAD DISPATCHER

1. Public Safety Dispatchers may work four (4) ten hour shifts per week under the following conditions:
 - a. Public Safety Dispatchers may bid for any available ten hour shifts by seniority.
 - b. For any period of time in excess of one month, when a Public Safety Dispatcher is working ten hour shifts, all benefit time shall be earned in increments of ten hours equals one day. All benefit time used during assignment to ten hour shifts shall be charged in increments of ten hours equals one day.
 - c. Every effort will be made not to hold over employees assigned to ten hour shifts.
 - d. The Town, in its sole discretion, shall determine the total number of ten (10) hour shifts available.
 - e. Absences on ten (10) hour shifts may be filled for less than full ten hours based on staffing needs as determined by the Town.
 - f. Appendix C of this Contract shall apply to this Appendix except five (5) hours shall be substituted for four (4) hours in the application of the language to ten (10) hour shifts.
2. There shall be an assignment for Public Safety Dispatchers known as Lead Dispatcher. The Lead Dispatcher shall be responsible for work assignments during a shift, staffing during breaks and meal periods, and requests to the Shift Supervisor for additional manpower resources during the shift.

The Lead Dispatcher for each shift shall be designated for each bid period; however, in no event shall more than one person be paid for Lead Dispatcher duties during any hour of the workday. In the absence of the designated Lead Dispatcher on a particular shift, the Chief or his designee may designate a Lead Dispatcher for the shift. If no designation of Lead Dispatcher is made the Police Department Shift Supervisor may carry out only those duties which are unique to the position of Lead Dispatcher.

The Public Safety Dispatcher assigned as Lead Dispatcher shall be paid \$2.00 per hour worked in the assignment effective with the signing date of this Agreement.

APPENDIX G

PROVISIONS OF THE CONTRACT THAT EXPIRED JUNE 30, 2013 WHICH REMAIN APPLICABLE TO EMPLOYEES HIRED PRIOR TO JULY 1, 2013 WHO HAVE ELECTED TO RETAIN VACATION, AS PROVIDED IN ARTICLE VII, SECTION 7.1 OF THIS AGREEMENT

FORMER ARTICLE VII, VACATION

- 7.0 Eligible employees shall be entitled to vacations with full pay on the following basis:
- A. An employee with less than one (1) year of service shall accrue vacation on a monthly basis at the rate of ten (10) workdays annually. No vacation leave shall be authorized in the first ninety (90) days of employment.
 - B. An employee, who has completed one (1) year of service through completion of their fifth (5th) year of service, shall accrue vacation on a monthly basis at the rate of ten (10) workdays annually.
 - C. An employee, at the commencement of his sixth (6th) year of service, shall accrue vacation on a monthly basis at the rate of fifteen (15) workdays annually.
 - D. An employee, at the commencement of his seventh (7th) year of service, shall accrue vacation on a monthly basis at the rate of sixteen (16) workdays annually and shall thereafter increase the rate by one (1) additional vacation day for each two (2) years of service until his fifteenth (15th) year of service, at which time he shall accrue vacation on a monthly basis at the rate of twenty (20) workdays annually.
 - E. An employee, at the commencement of his twenty-first (21st) year of service, shall accrue vacation on a monthly basis at the rate of twenty-one (21) workdays annually and shall thereafter increase the rate by one (1) additional vacation day for each year of service until his twenty-fifth (25) year of service, at which time he shall accrue vacation on a monthly basis at the rate of twenty-five (25) workdays annually.
- 7.1 The anniversary of the employees' date of hire shall be used to determine the amount of vacation time due pursuant to Section 7.0a. The calendar year shall be used for the purpose of determining the period in which the employee must use earned vacation time. Employees must take all vacation time earned during the year following the date on which it is earned. Earned vacation time may be carried over from one vacation year to the next only when authorized in writing by the General Manager.

- 7.2 Vacation days may be taken consecutively or otherwise, but the time for taking them must be by mutual agreement between the Department Head and the employee.
- 7.3 The Department Head shall annually, on or before April 1, request from each employee their vacation choice. These vacation choices should be submitted no later than April 30. Any employee failing to submit his vacation choice by April 30 will forfeit vacation choice seniority for that year. The department shall compile the choices of the members and post a copy of the vacation schedule showing the employees' names and the vacation periods allocated, not later than May 10.
- 7.4 Whenever there is a conflict between employees in requested vacation dates, the Department Head will give preference to employees according to length of service with the Town for vacation days applied for in conformance with Section 7.3 herein.
- 7.5 An employee hired prior to July 1, 2004, upon termination of his services with the Town, shall be entitled to full pay for any vacation time due him, including pro-rata time to date of termination. In the event of an eligible employee's death, such payment shall be made to his spouse and/or children. If the employee has neither a spouse nor children, the payment shall be made to the beneficiary as declared and on record for the Town of Manchester Supplemental Pension Plan purposes.

Payments for unused vacation will be made in three equal installments over a period of three fiscal years (year of termination and subsequent two years) if the gross amount exceeds ten thousand dollars (\$10,000). Payouts of less than ten thousand dollars (\$10,000) will be made at the time of termination.

An employee hired on or after July 1, 2004 shall not be eligible for any payout of vacation time.

- 7.6 In the event of illness during an employee's vacation period, the employee shall be given an option of charging the sick days to his sick leave, providing a doctor's certificate verifies the illness.

FORMER ARTICLE VIII, LEAVE PROVISIONS

8.3 Each employee shall be granted special leave with full pay for the following reasons:

- C. In the event of death in the immediate family, or the immediate family of his or her spouse, not more than three (3) working days' leave with pay shall be granted commencing from the day of death through the day of funeral inclusive. Immediate family, for purposes of this clause, is defined as

parents, grandparents, spouse, brother, sister, child, stepchild, grandchild, son-in-law, daughter-in-law, and also any relation who is domiciled in the employee's household.

- D. Permanent and permanent part-time employees may be granted leave of absence with pay in the event of a critical illness or injury to a spouse or child creating an emergency which requires the attendance of the employee providing that the emergency occurs during working hours or between the hours when the employee's shift ends and the beginning of the shift so long as there are no days off during that period or during the sixteen (16) hours immediately preceding the start of a scheduled workday if the preceding day is a day off. The length of leave shall not exceed the duration of the workday in which the critical illness or injury took place or one (1) workday if the critical injury or illness occurs prior to the start of the workday. This leave may not be used to accompany a spouse or child to a medical appointment including an operation which is scheduled in advance.
- F. One (1) day off for attendance at weddings in the employee's immediate family as defined in Section 8.3.C, including the employee if the wedding is held on a day which the employee is assigned to work.
- G. Any personal emergency reason stated in writing to the Department Head, Division Head, or General Manager.
- J. Each employee shall be granted necessary time, not to exceed in the aggregate, a total of four (4) hours per occasion, not to exceed three (3) days per calendar year, to fulfill the obligation of going to, attending and returning from funerals of persons other than those covered under 8.3.C. If the employee exceeds the four (4) hours permitted, the time will be charged to sick leave.
- K. Employees may make a request for up to one (1) day's personal business leave of absence with pay directly to his Department or Division Head. A Department or Division Head may grant such leave at his discretion. No such leave shall be granted in excess of three (3) days in anyone (1) calendar year. Employees with less than one (1) full year of employment shall be eligible to receive time off under this Section on a prorated basis of one (1) day for each four (4) complete months of service. Personal business is defined as business that cannot be conducted at a time not in conflict with the employee's regular workday, an emergency over which he has no control which requires immediate attention and the observance of a religious holiday.

APPENDIX H

TOWN MEU/LOCAL 991 CHANGES

1. Retirees medical insurance shall only be available to employees who have worked for the Town as a full-time employee for at least fifteen (15) consecutive years. (Those regular or regular part-time employees who have been employed by the Town for more than five (5) years as of July 1, 1995, shall continue under the present rule which requires that they have been employed full-time for a minimum of ten (10) consecutive years in order to be eligible to receive retirees' health insurance benefits.) In addition, job-share participants, approved by the General Manager as of July 1, 1995, who are part of the Town's retirement system, shall be eligible for retirees' health insurance in accordance with the provisions contained herein.
2. Employees, hired prior to July 1, 1995 and who retire early after July 1, 1996, shall be eligible to receive retiree health benefits for themselves and their spouse of record at the time of retirement until the retiree's death, provided they pay fifty percent (50%) of the cost of the spousal benefit. Employees hired after July 1, 1995, who retire with either an early, normal, special or disability pension, shall only be eligible to receive the individual employee retiree health benefit. Employees hired prior to July 1, 1995, who receive a normal, special, or disability pension, shall continue to be eligible to receive health benefits for themselves and their spouse of record at the time of retirement until the retiree's death, subject to the provision of Paragraph 3 below.
3. Employees retiring after July 1, 1997, shall be required to co-pay for health insurance in the same amount as active employees at the time of their retirement.
4. The Pension Plan would be amended to incorporate the Rule of 80 with an effective date of December 1, 1996. This rule requires a combination of age plus years of Town service which equals 80 for a normal retirement. Employees who are currently within seven (7) years of either normal or special retirement and whose pension calculations would not be impacted by the Rule of 80 provision, or the change in definition of normal retirement age, would not be required to pay the additional amount of pension contributions required herein. This provision is subject to change should future amendments to the Pension Ordinance require that all members pay the increased contribution rate immediately. Effective retroactive to July 1, 1996, the contribution rate for employees would be increased by 1.40%. In addition, effective July 1, 1996, the definition of normal retirement age for those hired prior to July 1, 1995, shall be changed from age sixty-five (65) to age sixty-two (62) and the benefit formula for all pension members regardless of date of hire shall be adjusted to allow employees to receive service credit for up to thirty-five (35) years, rather than the current 33 1/3 years. Effective July 1, 1996, the early retirement penalty shall be adjusted from the current rate to an amount equal to six percent (6%) per year for all years between the applicable normal retirement date and the early retirement date of the employee.

APPENDIX I

MEMORANDUM OF AGREEMENT

This Agreement, which is effective May 10, 2021, is made between the Town of Manchester (the "Town") and Municipal Employees' Union, Local 991, Co. 4, AFSCME, AFL-CIO (the "Union") in order to address the issue of seniority when an individual is rehired by the Town into the bargaining unit represented by the Union.

1. The parties agree that when an employee in the bargaining unit voluntarily separates from employment with the Town (i.e., is not discharged) and is subsequently rehired, after a period of more than six (6) months has passed since such separation, into a position within the bargaining unit, the employee's seniority will be broken for all purposes under the then applicable collective bargaining agreement and any other benefits afforded employees of in the bargaining unit by the Town and the employee will be treated as a new hire. In addition, the employee will serve a new probationary period as set forth under the then applicable collective bargaining agreement.
2. The parties further agree that when an employee in the bargaining unit voluntarily separates from employment with the Town (i.e., is not discharged) and is subsequently rehired, after a period of six (6) months or less has passed since such separation, into a position within the bargaining unit, the employee's seniority will be the same as it was at the time the employee voluntarily separated. The employee will have a new date of hire, which date will be the date of rehire, but the employee's original hire date will be used for seniority purposes, including calculating accruals of annual leave and sick time. The employee will not have to serve a new probationary period.
3. Whether an employee is rehired before or after a six (6) month break, the employee's vesting under the defined contribution plan will restart upon rehire and any employee previously in the defined benefit plan will not be eligible to rejoin that plan and must begin contributions to the defined contribution plan.
4. Whether an employee is rehired before or after a six (6) month break, the employee's previous disciplinary record will remain in his or her personnel file and may be used by the Town in consideration of any future disciplinary action pursuant to the terms of the then applicable collective bargaining agreement.
5. The parties agree that this Agreement will be attached to the current collective bargaining agreement and any successor agreement until otherwise agreed to by the parties.
