

HELP YOUR EMPLOYEES HELP THEMSELVES

The enhanced myCigna experience makes things easier for you and your employees.

Easier to navigate. Easier to use.

Now it's easier than ever for your employees to manage and make the most of their health plan on the myCigna® website and app. And since they're able to help themselves, it also makes things easier for you.

Featured enhancements on myCigna.

- › **Personalized dashboard**
The information that matters most to each employee is right up front when they log in.
- › **ID Cards always accessible**
Employees can easily view, print and send ID cards.
- › **Click-to-chat**
Employees can have an online chat with a Cigna rep.
- › **A better way to search for providers and costs**
Helps employees stay in network, find quality providers and compare costs.
- › **Coverage details in plain language**
Plan details are simple, clear and easy to understand.
- › **Added layer of security to help protect your employees' health information**
A primary email address is required. Plus, there's a two-step login process.

Tell your employees to register or log in today on [myCigna.com](https://mycigna.com) or the [myCigna app](#).

For questions or more information, contact your Cigna account manager.

Together, all the way.®
