Manchester Trails Guide

happy trails.

basic safety tips for exercise

- Always wear appropriate safety gear i.e., protective gear for biking and skating and appropriate footwear.
- Warm-up before you exercise.
- Stop exercising if you experience severe pain, swelling, faint or dizziness.
- Choose proper footwear. Invest in a good pair of walking, hiking, or running shoes.
- Protect yourself from the sun. Wear a hat, glasses and sunscreen.
- Protect yourself from mosquitoes and ticks. Always check for ticks after you bike or hike on trails.
- Carry an EpiPen on your person if allergic to bee stings.
- Exercise with a companion.
- Bring and drink plenty of water throughout the activity.
- Always let someone know where you are.
- Always bring a map or your smartphone.
- Dress for the weather (layers) & wear bright colored clothing.
- Carry a cell phone for emergencies.
- Stay where you are when injured or lost after calling 911 so emergency personnel can locate you.

general guidelines

- Use common sense.
- Absolutely no motorized vehicles allowed.
- Obey all posted rules at each trail heads as well as any state and local laws that apply.
- Carry out what you carry in.
- Use of these trails is at your own risk.
- Travel on the right side of the trail except when passing.
- When passing on a bike give a clear and audible signal.
- Cyclist and in-line skaters shall yield to all pedestrians.
- When entering or crossing a trail yield to all users.
- Be respectful of wildlife.
- Do not trespass onto private property.
- Use cross walks at intersecting road ways.
- Pets must be under control at all time.
- Clean up after pets.
- Walk against the direction of traffic when walking within a roadway.
- Bicyclists should ride with traffic.
- Bicyclists shall ride in single file on roadway or trail.
