

2026 Schedule

Crews will start at Middle Tpke and Main St. and work their way out in a circular motion. Leaf collection will start **9th of November.**

As part of the continuing effort to improve efficiency and maintain the safest operation possible, leaves on one side of a street will occasionally be collected up to two or three days in advance of the other side of the street.

Please do not place leaves at the curb after your street has been vacuumed. Crews will not be returning for a second collection. It's a violation of town codes to block sidewalks and streets with leaves.
