

**NOTICE OF BOARD ACTION  
BOARD OF DIRECTORS  
TOWN OF MANCHESTER, CONNECTICUT**

On June 14, 2022, the Board of Directors of the Town of Manchester revised the Schedule of Rates, Charges and Fees for the connection to, and the use of the water distribution system. A complete copy of the adopted Schedule of Rates, Charges and Fees was filed with the Town’s Clerk’s office on June 15, 2022.

**ADOPTED SCHEDULE OF RATES, CHARGES AND FEES  
FOR THE MANCHESTER WATER DEPARTMENT**

The existing schedule of rates, charges and fees as presently in effect and on file in the Town Clerk’s office and in the Administrative Offices of the Water and Sewer Department, is hereby amended as set forth herein and shall be effective as of July 1, 2022 and for subsequent fiscal years and shall continue to be in effect until such time as they may be further amended by the Board of Directors. The adopted Schedule of Rates, Charges and Fees and the time and manner of payment is as follows:

**I. WATER USE RATES – Effective July 1, 2022**

**A. General Customer Billing**

**1. Service Charges**

Meter Size	Monthly	Quarterly
5/8”	\$2.70	\$8.10
3/4”	\$4.10	\$12.29
1”	\$6.78	\$20.35
1½”	\$13.44	\$40.60
2”	\$21.69	\$65.08
3”	\$43.31	\$129.94
4”	\$67.63	\$202.89
6”	\$135.27	\$405.81
8”	\$270.56	\$811.69
10” and greater	\$541.13	\$1,623.38

**2. Use Charge – Effective July 1, 2022**

\$3.57 per 100 cubic feet

**B. Non-automated or unmetered customers shall be charges as follows:**

- 1. Residential Customers** – Consumption based upon 150 gallons per capita per day with 3.75 capita per dwelling unit.
- 2. Commercial Customers** – Consumption based upon 2,000 gallons per acre per day of land (i.e. - building, parking, open space, easements, etc.) owned at the location, or acres of building floor space based upon gross square footage, whichever is greater.

**NOTICE OF BOARD ACTION  
BOARD OF DIRECTORS  
TOWN OF MANCHESTER, CONNECTICUT**

3. Industrial Customers – Consumption based upon 5,000 gallons per acre per day of land (i.e.- building, parking, open space, easements, etc.) owned at location, or acres of building floor space based upon gross square footage, whichever is greater.

This rate will be used for accounts without a meter or accounts that are not equipped with automated meter reading equipment.

The above water rate schedule will govern the billing for the master meter. There will be one master meter for each individual water service. Water meters are owned and maintained by the Water Department.

For existing sub-meter arrangements installed prior to 1976 the same water rate schedule will govern the billing for the master meter and sub-meter. Master meter readings will be reduced by the sum of the readings for the sub-meters. The master meter will be billed on the minimum and granted a consumption allowance as would the sub-meters.

**II. NEW METER INSTALLATION FEES**

Every new customer will be charged a one-time fee\* for the installation of a meter including the related meter reading equipment. The fee will be based on meter size. Other sizes and styles of meters will be charged based upon actual cost.

Meter Size	Cost
5/8"	\$361
3/4"	\$390
1"	\$440
1½"	\$1,242
2"	\$1,437
3"	\$1,724

\*Fee is due and payable at the time of permit issuance.

**III. WATER SYSTEM CONNECTION FEES**

Each property owner connecting to the Town of Manchester Water Distribution System shall pay a water connection fee. The property owner shall pay the applicable connection fee in effect at the time of permit application. Fees shall be in accordance with the following schedule and are due and payable at the time of permit issuance.
