

Region 3, CRCOG will be hosting a CERT basic training class for anyone interested in becoming a trained CERT member.

The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may occur where they live. CERT trains volunteers in basic disaster response skills, such as: Fire safety. Light search and rescue. Team organization.

This is a great opportunity to aid your community in a way that you may not have thought about.

Please note the dates and locations for each class!

April 27 (Saturday) 9-2pm 253 High St.; Hartford Safety Complex

May 11 (Saturday) 9-2pm 253 High St.; Hartford Safety Complex

May 18 (Saturday) 9-2pm 253 High St., Hartford Safety Complex

June 2 (SUNDAY) 10-3pm 321 Olcott St.; Manchester

Training materials will be provided and once completed you can keep your backpack and all the gear!

Please contact your local team leader or Emergency Management Director for signup or email Koplowitz.s@gmail.com (put CERT class in the memo line);

Be sure to include your email and contact phone number.

If your town does not have a team, please consider a town in your area as you do not have to live in that town to join.

Your CERT local team affiliation:
