UR Community Cares recognizes the increasing importance of technology in today's society and the potential barriers faced by older and disabled adults in accessing and utilizing many online resources. We aim to bridge the digital divide and empower seniors to embrace technology confidently and in an inviting place for social

connections. That's why we established our first UR Community Tech Center in the Eastside Neighborhood Resource Center (153 Spruce Street, Manchester).

- Hours as of April 1st: Mondays, Thursdays and Fridays from 10am to 3pm (expanding in July)
- Free skills-based programs using the proven curriculum of AARP-affiliated Senior Planet (laptops provided; April's schedule coming soon!)
- Special drop-in hours for residents to get free tech help
- Intergenerational relationship building
- Social activities each month (bring a friend or make a new one)
- Monthly presentations by community partners and special guests
