1

ACCOUNT INFORMATION: Provides Property owners name, Customer Number, Parcel Number and Service Location

2

BILLING INFORMATION: Provides Bill Number, Bill Date, Account Number, Account Type, Bill Due Date

3

CHARGES: This section breaks down the billing charges. You will find the service dates, read code, usage, rates and charge amounts here.

Please note: Former 8th District accounts will see "prorated" under the sewer charge for August & September Bills

4

UNITS OF MEASURE: This section indicates how we measure the water usage. 1 HCF (Hundred cubic feet) equals 748 gallons. Your current HCF used is listed under section 3 "usage"

5

GRAPH: This section contains consumption history comparing quarterly water use for previous/current period

6

READ CODE: These are types of codes marked by the water company to determine how the current reading was obtained

7

READ CODE DESCRIPTIONS: An Actual read determines the actual water use that passed through the meter. Handheld read is taken from directly outside the property. Estimate and Water company reading indicates the meter is not working correctly, please call our office for an appointment.

8

ACCOUNT BALANCE: This section identifies the current balance due, any past due charges, interest, or credits carried over from the last billing cycle
