

Most of our museum passes are generously purchased by the Friends of the Manchester Public Library. Many thanks to them for their sponsorship and support!

Please note that the selection of passes may vary at times. Please check with library staff if you are looking for a specific pass.

All passes are checked out for 1 week. They cannot be placed on hold since they are first-come-first-served. However, if you call ahead and the pass you are looking for is available, we can put it aside for you for up to 1 hour. Passes are not renewable and if returned late there is an overdue fine of \$1 per day. Please do not return the passes in the book drop and do not return them to any other library. There is a limit of 1 pass checked out at a time per library card, but anyone with a valid Connecticut library card may check one out.

Passes sometimes don't cover charges for special programs or exhibits. It is a good idea to call the attraction directly to find out about additional costs or changes to entrance fees.

Disclaimer: Many of these museums are letting people in by appointment only via online tickets. They may not be accepting passes. Please call the attraction before visiting.

Here's a list of museums and attractions around the state with free admission! Please note: some museums do suggest a donation or have fees for certain programs. We recommend checking with the attraction before visiting.
