Town of Manchester  
Water and Sewer Department  
125 Spring Street  
Manchester, CT 06040

Date: September 23, 2025

**Public Notice:**

Manchester Water Department is conducting planned maintenance on the water treatment plant. At this time, you may experience some discoloration of the water.

The discoloration is from stirring up the iron and manganese that has settled in the distribution system. Although the water is safe, the taste and color may be objectionable.

If you notice discoloration, please run your cold water until it runs clear and refrain from doing laundry. If the issue persists after 15 mins of running the water, please contact the Manchester Water Department at **(860) 647-6050**.

We appreciate your patience and understanding while this necessary maintenance is completed.
